NASA Astronomers Discover 240-year-old Neutron Star ‘Swift J1818.0–1607’ After Recent X-ray Burst

According to the study published in the Astrophysical Journal Letters, Astronomers at the NASA (National Aeronautics and Space Administration) have discovered the youngest known magnetar (a type of neutron star) named “**Swift J1818.0-1607**” about 16,000 light years away from Earth.

- It was first discovered back on March 12 by NASA’s Neil Gehrels Swift Observatory when when a large amount of X-rays were emitted by it. The European Space Agency’s XMM-Newton observatory and NASA’s NuSTAR telescope, then studied this magnetar and found that it was the youngest 240-year old.

India Became 12th Largest Holder of US govt Securities with Holdings of \$157.4 bn in April end 2020; Japan tops

- In accordance with the data from the United States (US) Treasury Department, India became the 12th largest holder of US government securities at the end of April, 2020 with holdings of worth \$157.4 billion, which has increased marginally by \$0.9 billion in comparison to March month’s \$156.5 billion.
- The country with maximum exposure to US government securities is Japan at US\$1.266 trillion

followed by China and the United Kingdom (UK) at the second and third positions, respectively at the end of April 2020.

About US govt Securities:

The US dollar/ Treasury Securities (Bills, Notes, Bonds, Inflation-Protected Securities) backed by the US treasury department are one of the safest asset class for any central bank with regards to investment, despite getting the lowest returns.

Pakistan remains in Financial Action Task Force's Grey list

The Financial Action Task Force (FATF) in its 3rd and final plenary meeting under the Chinese Presidency of Xiangmin Liu over a virtual platform, retained Pakistan on the grey list till October 2020, for failing to prosecute and penalise terrorist financing in the country before the deadline fixed by FATF .

Note: Germany will take over the presidency of the FATF from July, 2020 for a year.

Key Points:

- i.**In the FATF meeting in February 2020, Islamabad was told that all the deadlines have expired and if failed to prosecute and penalise terrorist financing by June 2020, the global terrorist financing watchdog will take action.
- ii.**In the Paris plenary FATF expressed their concern at Pakistan's failure to complete its 27point action plan before the deadline that ended in September 2019.
- iii.**If Pakistan fails to comply with FATF directive

by **October 2020** the country will be put under "**Black List**".

Grey List:

- i.**The countries on the grey list will have difficulties in getting financial aid from the IMF, World Bank, ADB and European Union.
- ii.**The inclusion in grey list serves as a warning that the country may enter black list

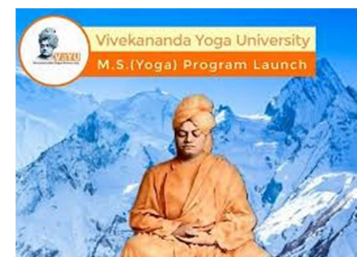

Black List:

- i.****Non-cooperative** countries or a Territories (NCCTs) are put in black list.
- ii.**Currently countries like North Korea and Iran are under black list

"Vivekananda Yoga University" World's First Yoga University Outside India launched in Los Angeles
